1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The claims were amended as follows:

a) In claim 1, last line, deleted the word "condition" and inserted in its place the word -- position--.

Note that this was the form of the claim prior to amendment and appears to be an inadvertent error in transcription.

b) In claims 27 and 33, added periods at the end of each of these claims.

Also note that the claim language to claim 1, lines 8-9, directed to "which cooperates with the cradles during circumrotation to urge the cartridges and the sleeves towards the barrels," was added in the amended version of the claim but not underlined. However, since this claim language is in fact now present in claim 1, and it has been clarified that this language was added by amendment, claim 1 is now in condition for allowance.

Johnson whose telephone number is 571-272-6877 and whose e-mail address is ([Stephen.Johnson@uspto.gov](mailto:Stephen.Johnson@uspto.gov)).
